WELCOME TO MADRID!

With the most great pleasure we announce that the 5th International Congress on the Archaeology of the Ancient Near East will be held at Madrid in April of 2006.

These are the main subjects we propose for the Congress:

1. History and Method of Archaeological Research:

New approaches on the study of the first archaeological excavations. The Process of the adaptation of new methods and the birth of the science.

2. The Archaeology and the environment of the ancient eastern cities and the villages:

Archaeology and the natural sciences in the reconstruction of the urbanism, communications and daily life in both urban and rural landscapes between the fourth and the first millenium.

3. Arts and Crafts in the Ancient Near East:

Results obtained from archaeological work in the sites, the workshops and the manufactures of the craftsmen and artists.

4. Reports of the results from the latest archaeological seasons:

Provisional reports, news, state of the issue, recent discoveries.

Workshops:

The organising committee suggests the following workshop: *The state of Iraqi Archaeological Heritage (1990-2006). Looting, restoration projects, current situation.* Other subjects can be suggested.

Posters

Tours:

Visit to Museo Arqueológico Nacional: (Exhibition: *Spain in the Near East (1166-2006). Travellers, antiques and researchs.*
